Por Los Niños Begins House 5 Capital Campaign

This is an exciting time in the history of Por Los Niños. God is at work in the country of Honduras, in the city of Catacamas, and at the Por Los Niños village, and we are blessed to join Him in that work by loving and supporting the 40 children currently in our care. We are also excited to soon fulfill the original dream and plan for Por Los Niños, imagined over twenty years ago—to have six houses and a school on our village grounds.

Currently, there are four houses and an elementary school on our property, but **in the near future, we hope to break ground at our village for the construction of House 5**. Building House 5 **will allow us to immediately take in 11 more children**, though ultimately the number of children who will grow up in this house will greatly exceed that. Dozens if not hundreds of children will one day call this house home, and through their experiences in this house they will learn about God, about family, and about love.
